Dear Friends,

On June 26, 2021, the Misericordia Family Association will host its **61st Annual Benefit**. It is the Family Association's signature fundraising event.

During these challenging economic times, Misericordia is trying to reduce its dependency on government funding while maintaining an excellent standard of living for each of its residents. Today Misericordia supports over 600 children and adults with developmental and physical disabilities on its campus, located on the north side of Chicago, as well as within the community.

You can help support the mission of Misericordia by taking an ad in this year's Ad Book. The Ad Book is delivered to many friends of Misericordia throughout the country and is also available online for thousands to view.

All ads \$1,250 and over, and all resident photos will be printed in full color!

The preferred method to place an Ad is to do so online at www.mfabenefit.org, or you may complete the Ad Book Contribution Form and submit it to the Misericordia Family Association by March 21, 2021.

The Misericordia family offers you its sincere thanks for your generous support.

Sincerely,

The Ad Book Committee
Misericordia Family Association
